The Early Music Shop

CD Catalogue

Includes Sale CDs pages 29-30

January - March 2013

We are pleased to offer a list of cds available from The Early Music Shop.
These 700 titles are only a small selection of the 1000's listed and available at the time of going to print.
Additions and deletions are updated periodically, please call and ask for the current list.

Pages 3 to 15 Alphabetical by composer

Pages 16 to 23 Cds which include various composers are categorised alphabetically under the cd code.

The information in this listing, including prices, was correct at the time of going to print.

If you wish to place an order, please contact us by phone or email, or complete the order form on the back page and post to the address below.
