

The Early Music Shop - Now Celebrating 47 Years..! - Established 1968

The Early Music Shop at Salts Mill is set within the World Heritage Site, Saltaire. A pretty little village just 4 miles north of Bradford. Salts Mill houses the fabulous David Hockney 1853 Gallery, the book shop, great food in stunning surroundings, to music, culture, art and an eclectic mix of traders. Salts Mill is one of the largest tourist attractions in the area. Positioned by the river Aire and the Leeds-Liverpool canal, Salts Mill is easily accessible by rail, bus, car and is only 15 minutes by taxi from Leeds/Bradford airport. The Early Music Shop is open Monday - Saturday 10am - 5pm..!

EMS Lutes - A brand new lute from The Early Music Shop based on the ever popular Hieber Lutes and designed by our own dedicated team of craftsmen. A light and responsive instrument with a shell made from thirteen lacewood ribs, separated by narrow inlay strips. A quality solid sitka spruce soundboard with laser cut rose, lacewood neck, peg box and rosewood fingerboard and pegs. Fitted with Aquila Nylgut strings and supplied with a hard carrying case and an extra set of Aquila strings. Available as an 8, 7 or 6 Course.

The English Harpsichord Kit - designed by Peter Barnes in conjunction with The Early Music Shop and copies some of the best features of these early keyboards, using the scaling of the London Bentside Spinet makers, Keene and Brackley, c. 1715. The kit parts are made from solid timber through out and are fully machined, ready for assembly. A full scale drawing, instruction manual, colour photographs are all included to ensure ease of assembly for anyone with woodworking skills, but with little need for specialist tools. Please ask for full details of skills required.

Specification:-
 Walnut casework through out with detachable lid, stand, lid stick, folding music desk, sitka spruce soundboard, ebony and boxwood key slips and solid brass fittings. 2 x 8' wooden registers and guides, wooden jacks, delrin plectra, brass stings with a compass of GG - f3 and transposing A440 / 415.
 Dimensions:-
 Case:- 6' 3" long, 35" wide and 8" deep. (1.9m x 0.9m x 0.2m)
 Stand:- 25" high. (0.64m)
 Harpsichord Kit **£2,869.25**
 Harpsichord Finished **from £7,995.00**
 Harpsichord Painted Soundboard **£795.00**

Woodwind News - while we continue to develop new products, we are pleased to announce our crumhorn kits are now available.

Crumhorn Kits - available in kit form for home assembly and includes step by step instructions.

- EMS Soprano Crumhorn Kit **£230.00**
- EMS Alto Crumhorn Kit **£275.00**
- EMS Tenor Crumhorn Kit **£315.00**
- EMS Bass Crumhorn Kit **£375.00**

The Loriman Pipe - this early medieval pipe is an alto in F and based on original drawings by Michael Praetorius and uses our very own plastic reeds. It sounds similar to the crumhorn, but is straight with an open end, unlike the muffled sound of the cornamuse.

- EMS Loriman Pipe **£275.00**
- EMS Loriman Pipe Kit **£175.00**

EMS Harding Serpent - Our grateful thanks go to David Harding for allowing us to continue production of his extremely popular Harding Serpent since his retirement in 2005.
