# The Early Music Shop - Now Celebrating Over 44 Years..! - Established 1968

The Early Music Shop at Salts Mill is set within the World Heritage Site, Saltaire. A pretty little village just 4 miles north of Bradford. Salts Mill houses the fabulous David Hockney 1853 Gallery, the book shop, great food in stunning surroundings, to music, culture, art and an eclectic mix of traders. Salts Mill is one of the largest tourist attractions in the area. Positioned by the river Aire and the Leeds-Liverpool canal, Salts Mill is easily accessible by rail, bus, car and is only 15 minutes by taxi from Leeds/Bradford airport. Salts Mill and The Early Music Shop are open 7 days a week..!

EMS Lutes - designed in our own workshop and based on the famous Hieber Lutes. The shell is made from thirteen contrasting ribs of lacewood and rosewood.

Each rib is separated by narrow inlay strips and features a rosewood neck, peg box and fingerboard. Added to

this, we offer the EMS Special Lute with all 13 ribs in rosewood separated by a contrasting white inlay. All EMS Lutes are supplied with a protective hard case.

EMS Lute 8 Course £572.65 EMS Lute 8 Course Special £621.75 EMS Lute 7 Course EMS Lute 7 Course Special £583.25 New - EMS Lutes with 25 Ribs

quiet electric blower for continuous playability with a manual compass of C-d 52 notes

A fully portable compact reed organ which folds neatly into it's own box and has been popular worldwide...!

The English Harpsichord Kit - designed by Peter Barnes in conjunction with The Early Music Shop and copies some of the best features of these early keyboards, using the scaling of the London Bentside Spinet makers, Keene and Brackley, c. 1715. The kit parts are made from solid timber through out and are fully machined, ready for assembly. A full scale drawing, instruction manual, colour photographs are all included to ensure ease of assembly for anyone with woodworking skills, but with little need for specialist tools. Please ask for full details of skills required.

Specification:-

Walnut casework through out with detachable lid, stand, lid stick, folding music desk, sitka spruce soundboard, ebony and boxwood key slips and solid brass fittings. 2 x 8' wooden registers and guides, wooden jacks, delrin plectra, brass stings with a compass of GG f3 and transposing A440 / 415.

Dimensions:-

Case:- 6' 3" long, 35" wide and 8" deep.

 $(1.9m \times 0.9m \times 0.2m)$ 

Stand: 25" high. (0.64m)

Harpsichord Kit £2.869.25 Harpsichord Finished from £6,708.75

Harpsichord Painted Soundboard £795.00
